Nicholas H. Juul, Courtney A. Stockman, and Tushar J. Desai

In the first version of this article, there was a typographical error on p. 9 of the PDF. The phrase “haploinsufficiency of *FGFR2c*” (lines 16–17 in the right-hand column) should have been “haploinsufficiency of *FGFR2*.” The authors apologize for this error. The phrase has been corrected in the current version of the article.
